

## TERMS AND CONDITIONS

By receiving CEP terms and conditions you acknowledge that this is a binding legal agreement between CEP (Current Events Productions, LLC) and users of video to DVD conversion services provided by CEP.

### **DVD-R Compatibility**

DVD-R can be played on most home DVD players and on most computers having a DVD-ROM unit: however, there are some compatibility issues and some features may not work on all equipment. Proper care and handling of your DVD should ensure many years of trouble-free playback. Always hold the DVD so that you do not touch the playing surface. DO NOT USE Ball point pen to write on the surface of your DVD. Use only Sharpie® or felt type markers. DO NOT adhere a label to your DVD.

Video to DVD conversion and duplication service offered by CEP is provided without warranties of any kind, whether expressed or implied to the fullest extent permissible pursuant to applicable law. CEP Studio disclaims all warranties, expressed or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose. CEP does not represent or warrant that the services provided will be error-free or that defects will be corrected. CEP does not make any warranties or representations regarding the use of the materials provided in terms of their correctness, accuracy, adequacy, usefulness, timeliness, reliability or otherwise.

### **Limit of Liability**

CEP is not responsible for late, lost, damaged or misdirected mail.

CEP does not warrant that video to DVD conversion services will fit all users' particular purposes, and is not liable for any damages or losses of any kind to the original video tape provided by customer. Liability of CEP is limited to replacement of such tape with blank videotape of the same kind only.

By submitting an order Customer declares and warrants that all materials provided for conversion and/or duplication are not in violation of any copyright laws.

Customer will indemnify and hold CEP harmless in respect to any claims or demands by any third party that infringes upon any Copyright law. The video materials submitted were either created by Customer or Customer has the right to permit CEP to perform duplication services, or Customer has the permission of the copyright owner to duplicate video materials and written release form is provided.
